The qualification of the ClearPark for VirtueMart (Entry, Basic, Extended edition) version 1.0 is successful.

This is ClearPark that has tested our products and that delivered the certification to us.
The results of the tests and how each each product work can be found at following links:

- Entry edition: Certification_EntryEdition_V10.pdf
- Basic edition: Certification_BasicEdition_V10.pdf
- Extended edition: Certification_ExtendedEdition_V10.pdf

"ClearPark for VirtueMart" is now qualified to go live.
The packaging of this product is available as well the documentation.

This product will be available on sales once the legal aspect with ClearPark will be completed.
